Greetings, Contact Person!

Welcome to the guide with (nearly) all the resources you'll need to prepare a successful trip to Mountain T.O.P.! It is certainly no small task to organize a mission trip for a group of youth and adults—especially in a continuing season of worldwide pandemic—so it is with abounding gratitude that I extend my appreciation for the work you will be investing into this trip and, ultimately, the kingdom of God that exists in our midst.

If you have not already, I highly suggest reviewing the 2023 YSM Registration Packet. The registration packet introduces a few very important changes to our summer programs. This particular resource guide has two parts. The first includes a preparation timeline, vehicle and tool information, packing list, and participant medical forms. The second half of this guide focuses on Mountain T.O.P.'s desires and efforts to **create safe communities** and how adults can help do just that. This section needs to be read and understood by **ALL** adults (18+), especially because we are now following Safe Sanctuary guidelines during all camp weeks. In an effort to create safe communities within our camps and in our service area, we are asking all adults to spend more time intentionally preparing themselves to be trustworthy and mature role models for our youth.

Furthermore, there are a few very important updates that are worth pointing out to you:

- In the hope of creating a safer and more welcoming environment, we now operate with Safe Sanctuary guidelines during all camp weeks. If you have concerns about meeting Safe Sanctuary adult requirements, please contact me.
- In 2019, we lowered the minimum age for participation in Service Project to rising 7th graders. However, to serve with Day Camp, participants must be rising 9th graders or older. We made this change to create a wider age gap between the local children participants and our YSM participants.

Communication will make this process so much smoother. If you have any questions, please contact me. Please email me to set up a time for a phone call or Zoom conversation!

One thing I want to leave you with: in the midst of payments and paperwork, I ask that you **surround this process with prayer**. I encourage you to pray for the hearts of your team members to be transformed by the grace and goodness of Jesus, that you will arrive with teachable hearts and open minds, and that the families of the Cumberland Plateau will be positively impacted by their interactions with Mountain T.O.P.

Thankful to serve with you,
Kristin Guglielmo
Logistics Coordinator

Preparation Timeline

We know there is a lot that must go into planning such a trip as this. **Let us help you** by guiding you through the preparation process. Preparation—of logistics and of heart—is vital.

December – Mid March

- Make plans to meet the payment requirements. See the Registration Guide for reference.
- Read this guide and disperse the Creating Safe Communities portion to all adults in your group.
- Start securing the proper number of vehicles. Reserve rental vehicles.
- Schedule fundraisers.

March & April

- Second payments are due March 15, along with your Day Camp/Service Project split.
- Plan session(s) or retreat for your training. Use the Team Training materials to introduce or refresh your team on the basics of Mountain T.O.P., an overview of the camp week, and what their service experience will look like.
- Consider lodging arrangements for travel to and from camp.
- Start collecting van bucket tools.
 - NOTE: A good way to involve your congregation is to ask them to lend tools/materials!

By May 15

- Submit final payment and the following paperwork, due May 15.
 - Complete electronic Roster and email to Kristin.
 - All adults (18+) must submit a completed Adult Self-Screening form to the MTOP office.
 - Ensure ALL adults have read and understand the Creating Safe Communities portion of this packet.
 - Pre-order theme t-shirts, if desired. Submit the number of sizes wanted and payment.
- Camp assignments will be released.

A few weeks before departure...

- Make sure van buckets are compiled and ready
- Collect, make copies, and organize participation forms by roster order
 - TWO copies of medical forms/statement of release forms should be brought to camp for every participant (pages 12-14).
- Expect a call from Kristin 3 weeks before your camp week to confirm camp week logistics.
- All participants should start screening themselves for COVID-19 symptoms 10 days prior to arrival. It is highly recommended that unvaccinated participants obtain a positive test before departure.
- Expect a call from your camp director on the Wednesday prior to your arrival.

Frequently Asked Questions

When is the last date to change numbers?

- Anytime, though, increasing numbers depends on available spaces. Ideally, in submitting the final payment by May 15, the church would have finalized participant numbers. Please be aware of the [regular refund policy](#) and check with Kristin if you need to clarify availability. Any cancellation related to COVID-19 is 100% refundable.

Will we be eating by family style or not?

- Yes, camp communities will be eating by family style.

Who divides Youth Renewal Groups?

- YRGs will be formed by the Summer Staff during your Major Group Meeting on Sunday evening. YRGs are a group process led by your Ministry Coordinator that results in work groups with a diversity of age, experience, geographic location, gender, etc. Please indicate on your participant roster (due in May) of any special circumstances that may affect YRG formation; this includes participants who need to stay apart (family, BFFs, romantic relationships, etc.) and participants who need to stay together (youth who requires adult from same church, etc.).

Vehicle Requirements

Service Project

Churches will be mixing to form their Youth Renewal Groups (YRGs). If participating in Service Project, you must provide **one 7-passenger vehicle per every seven participants**. This allows seven team members, tools/materials and a cooler for lunch to be transported to and from the work site. Each vehicle must have seatbelts for seven people, at a minimum. Vehicles with a roof rack are recommended, but not required.

Day Camp

If participating in Field Trip Day Camp, you must provide **one 12- or 15-passenger vehicle for every seven participants**. This allows for the team of about seven people to pick up 5-7 children from the community every day for camp. Each vehicle must have seatbelts for 12 people at a minimum, but seatbelts for 15 people is preferred.

If participating in Frontyard Day Camp, a **5-passenger car for every five participants** will suffice. This allows groups of 3-5 people, lunch, games/toys, and craft materials to travel from camp to each child's home during the day. Each vehicle must have seatbelts for five people at a minimum.

Tennessee State Law

All vehicles must be equipped with seat belts for each passenger. Campers will not be allowed to ride in vehicles without seat belts or in truck beds.

Coolers

Each vehicle must have a 5-gallon water cooler and large water chest for lunch. This cooler will not stay in your van all week; the kitchen staff will prepare it each day for the group to take out their site.

First-aid Kits

Each vehicle—including Service Project and Day Camp must have a First-Aid kit with the following items. Camp staff will restock if needed.

- Bandages
- Medical/ athletic tape
- Alcohol wipes
- Antibiotic ointment
- Aspirin
- Hydrocortisone cream

Tool Requirements & Process

Day Camp Van Buckets

Just like Service Project, there are “tools” for Day Camp that are necessary in meeting the Four Needs of the children participating in our camp programs. This is a compilation of items frequently used during Day Camp, both Front Yard and Field Trip. We have found it is helpful to have some sport and craft supplies on hand either in the free time before or after an activity. Feel free to bring additional supplies that you think will be beneficial!

This van bucket will stay in your vehicle during the week. Some of these materials are consumables and will be completely used up by the end of the week. Compiling the supplies for the van bucket is a great way to get other church members involved in your service at Mountain T.O.P. Don't forget your coolers and First Aid kit for each vehicle, too!

- 3 packs of crayons
- 1 ream of white paper
- 2 packs of construction paper
- 1 pack of sidewalk chalk
- 3 bottles of bubbles
- 1 frisbee
- 1 football
- 1 bottle of 50 SPF sunscreen
- 1 bottle of hand sanitizer
- 1 can of bug spray
- 1 roll of paper towels
- 5 trash bags

In addition to the materials listed above, we ask churches to help snacks for our Day Camp participants. We ask churches to provide 40 snack packs every vehicle they provide. A snack pack should include 1-2 snacks and a drink. Ideas of healthy snack packs include: fresh fruit, fruit cups, granola bars, fruit gummies, or trail mix, pretzels, crackers, juice box/fruit juice.

Statement of Activities & Release Form

Mountain T.O.P. is a Christian service ministry with the people of the Cumberland Mountains in Tennessee. Volunteers participating in the activities of this ministry will be expected to be involved in all activities and to respect the people of the Cumberland Mountains at all times.

Volunteers will participate in (but will not be limited to) home repair projects and working with local youth as need determines and are within the capability of the volunteer service team. These activities may include the use of hand tools and the handling of materials and supplies. Power tools will only be used under the direct supervision of an adult and then only if the individual has the necessary skills to appropriately handle the power tool. Participants are never forced or required to engage in any work or activity in which they feel they are not able to participate safely.

Participants understand that photos and videos may be taken during the course of the camp week that may be used by Mountain T.O.P. in the future promotion of our ministries and programs.

Participants are expected to follow all guidelines of participation, philosophies, and expectations set by the organization and camp staff. Examples of unacceptable behavior include sneaking out after lights out, violating the tobacco policy, abuse or harassment, and other Mountain T.O.P. policies, going to places in the area which have been identified by camp staff as dangerous, and being disruptive to the camp life.

We acknowledge that every effort has been made in preparing the participants for this mission experience. We therefore release Mountain T.O.P., Incorporated, its agents, employees, and any and all persons connected therewith from any and all liability, claims, and causes of action of any type whatsoever arising out of or in any way connected with participation in the activities of the Mountain T.O.P.

Further, consent/permission is given for **(participant)** _____ to be treated by competent medical personnel in the event of an accident or medical emergency and to receive reasonable medical treatment as deemed necessary by a licensed physician.

In the event treatment is called for which a physician and/or other professional health care provider in the hospital/clinic refuses to administer without my consent, we hereby authorize:

Creating Safe Communities

A packet for all adult
participants

What does it mean to create safe communities?

Friends,

Thank you for volunteering to be an adult on this mission trip. Your participation allows the youth in our camps the opportunity to experience and share the love of Christ in many transforming ways. Our goal is to provide a safe and welcoming place for all to be able to grow in their faith. We never want to be a barrier to someone knowing Christ.

As adults in camp, **you play a very important role** in providing that safe, affirming environment for the youth. You have a great responsibility in helping us to provide an encouraging and caring place for the youth.

We have developed guidelines and procedures that are included in this preparation packet that are essential to providing this safe space. We ask that you carefully review this information before embarking on this journey. In the following pages you will be introduced to:

- **Expectations for Participation:** These guidelines apply to all people, but we depend on adults to consent and model these expectations.
- **The Role of the Adult:** In every step of the process, adults are a meaningful and important aspect of creating a safe place for youth.
- **Adult Self-Screening form:** Remember that all adults 18 and older need to submit the Adult Self-Screening form along with a copy of their current background check at the time of final payment.

You are encouraged as part of the adult team to meet with your fellow travelers to discuss this information. Any questions or concerns should be addressed with your trip contact person, or the Mountain T.O.P. staff.

Thank you again for your commitment to growing new leaders in the kingdom of God. I look forward to seeing you at camp.

With gratitude,

Julie Keel
Program Director
julie@mountain-top.org | 931-692-3999

Expectations for Participation

The following are some of the basic expectations we hold for all youth and adults who participate at Mountain T.O.P. All participants should be aware of these expectations prior to arrival. Adults are expected to hold themselves and their youth to these standards. On Sunday, the camp director will also lead an Adult Meeting with all participants 18 or older to review more specifically the expectations of in-camp behavior for the week. This time is meant to be a review, as adults will have through this information already.

Camp Attendance and Participation

Arriving late or leaving early from the camp week is **not** an option. Leaving at any time during the week and coming back to camp is also **not** an option. We design our program very carefully to ensure that all participants receive the maximum benefit from their experience. On Sunday, our staff will be breaking the community into work teams and on Saturday morning, the community will have its final closure experience. Missing either of these would hinder the experience for a person and the community. Furthermore, an adult leaving the week means a team would be left without a driver and therefore dissolving the group. If there is an extreme situation, we are willing to address special cases.

Programming

Youth and adults are expected to attend and participate in all structured activities, recreation, programs, and worships. Please do not ask us for any exceptions to this camp participation expectation. We want everyone to gain the most they can while at camp together.

- If Contact People need to assemble their church together for a meeting, we encourage them to do so during Free Time at the end of the day. Please confer with the Camp Director when arranging that church meeting time.

Service Team Experience

Participants in the Youth Summer Ministry (YSM) will be mixed up with other churches to create Youth Renewal Groups (YRGs). YRGs are created through a spirit-led, staff-facilitated, and participant-driven process in order to create groups that have a balance of experience, age, gender, and church background.

Adult Self-Screening Forms

All adults ages 18 and over need to have completed a satisfactory and current (within the last 3 years) background check before they arrive at camp. Background checks can be run by the participant's church or by Mountain T.O.P. for \$10/check. **A signed copy of the Adult Self-Screening form for each participant 18+ must be submitted to the Mountain T.O.P. office at the time of final payment.**

Dress Code

The dress code applies to all genders. Shirts are to be worn at all times. Shirts with beer, liquor or other possibly offensive subject matter should not be brought to camp. Additionally, halter or spaghetti-strap tops, bathing suit tops, sports bras, shorts with an inseam less than 4" and jeans with offensive holes are not appropriate and should not be brought to camp.

- **Service Project:** For safety reasons, the youth and adults with Service Project are to wear long pants (**no** leggings or yoga pants), closed-toe and hard-sole shoes and shirts with at least short sleeves during the workday. Scrubs are allowed. Appropriate shorts are fine at camp in the evening.
- **Day Camp:** Youth and adults participating in Day Camp can wear appropriate shorts instead of pants and do not have to wear closed toed shoes. Shoes should be comfortable and appropriate for all day activities such as hiking or touring the area (please no flip-flops or other slip-ons).
- The Mountain T.O.P. staff relies on adults from within the church to monitor the dress code of their participants. If necessary, the staff will assist in addressing the situation.

Electronic Devices & Social Media

Social media can either be a great tool or a destructive barrier. It can bring people together or drive a wedge in the spiritual practice of building community. During the camp week, we encourage minimal use of devices. Adults are definitely encouraged to have a cell phone with them in case of emergencies and to communicate with camp staff. We ask that devices are not used during meal times or programming events because we want to be present and build relationships with the people in front of us. We encourage churches to have conversations with their participants about the safe and healthy use of social media and devices while at camp. The camp staff is prepared to take action against reports of virtual bullying if needed. Mountain T.O.P. supports churches who decided to withhold participant's cell phones during the time in camp, but that is not a requirement. Adults should never interact with youth on social media without the permission of the parents. No one should ever be photographed or posted about without their permission.

Lights Out Policy

Your camp staff will set times for "lights out" each night, and they typically set a slightly later time on Friday night. The staff will take responsibility for the initial bed check at the designated lights out. Our expectation is that all participants will stay in their cabin after this time. We do not intend for the staff (nor are they able) to stay up for hours putting people back to bed and/or chasing them around camp. We ask for your group's understanding and cooperation in this matter. *We depend on the leadership and maturity of the adults present in camp for assistance.* If campers are found out of their cabins, the staff will find the Contact Person. Repeated offenses will require the participant's parents to be called, with the possibility of being sent home at the individual's expense.

Tobacco

The use of tobacco is discouraged and prohibited in some cases due to camp regulations, sensitivity and fire hazards. Anyone under the age of 18 is prohibited from smoking, using, or possessing tobacco in any form—including vaping and electronic cigarettes. Mountain T.O.P. recognizes the need to establish a designated tobacco area for those who use tobacco. This designated area is to be in a private and discreet area of camp. This is due to our desire to discourage the use of tobacco products and the need to not promote the use of tobacco as a social activity or as a part of the community process.

Alcohol & Drugs

Do not bring any alcoholic beverages or illegal drugs to camp. Those who bring such items can be sent home at their parent's expense.

Prescription Drugs

Sharing of prescription drugs is strictly prohibited. Those who do can be sent home at their participants' expense.

Fireworks

Do not bring fireworks into camp – these are dangerous items, especially in wooded areas.

Abuse Tolerance

Mountain T.O.P. has a zero tolerance for abuse. It is the responsibility of every adult participant to act in the best interest of youth at all times. In the event any participant observes any inappropriate behaviors (i.e. policy violations, neglectful supervision, poor role-modeling, "grooming," etc.) or suspected abuse (physical, emotional, sexual, or virtual) it is the responsibility of each such participant to immediately report their observations to the Mountain T.O.P. staff.

Reporting Suspicious or Inappropriate Behaviors

Mountain T.O.P. is committed to providing a safe, secure environment for minors and intends to create and foster a culture of communication, reporting safety concerns, or policy violations. Any report of inappropriate behaviors or suspicions of abuse will be taken seriously and will be reported, in accordance with Mountain T.O.P. policies and state law, to the Department of Children's Services and/or other appropriate agencies.

The Mountain T.O.P. Summer Staff has overall responsibility for all activities. Therefore, camp directions and expectations given by the staff are to be followed.

The Role of the Adult

During the Preparation Process

The role of the adult during the preparation process is very crucial. The preparation process is a time of learning together and preparing to be a team in ministry. The adult is often the person who sets the tone of the session by showing enthusiasm as well as seriousness about the importance of preparation. When youth see adults wanting to learn, grow, and prepare, they begin to understand the necessity of working through the material.

Because adults are full participants in the Mountain T.O.P. experience, it is important for adults to share in the preparation process with the youth. By involving adults in the preparation, they will not only feel a part of the group, but will also know what to expect when they arrive at camp. We hope that adults will help establish buy-in with the medical protocols and resultant program changes being made as a result of COVID-19.

At Camp and with the Camp Staff

The role of the adult at camp is one of support and partnership with the staff. It is important that all adults and staff work together so that the experience will be one of wholeness for everyone involved. The Mountain T.O.P. experience is designed for youth, with adults playing a supportive role. When youth feel ownership in the experience, they learn and grow more. We desire for our participants—no matter their age—to grow in their leadership skills, confidence, and spiritual depth. That doesn't happen unless the adults are invested and encouraging.

The adult is a role model for the youth. Therefore, we encourage all adults to help set a positive, uplifting, spiritual, and motivating attitude at camp so that the spiritual community concept will work! If there is a problem, the adult who demonstrates care, concern, and love for others during the situation is a powerful model for the youth. By keeping a positive outlook on the experience, adults teach youth a vital lesson in maturity.

Adults are expected to participate in 100% of the camp activities because they, just like staff and youth, are a part of the community forming process. When everyone plays, works, and worships together, people begin to see a Christian community at work in their lives. Everyone working for the same goals and objectives is the power behind a community that is working for God.

While Serving

We are intentional about calling the drivers "drivers," and not team leaders. The adult is a team member, which means that we encourage adults to let youth take responsibility and leadership within the team. An example of this might look like assigning a youth to be the safety coordinator for the day. Or, let the youth be the decision-makers for the group's worship station. This gives the youth a chance to experience leadership and taking responsibility.

The adult plays a significant role in challenging youth in this area. Letting the group make decisions together is an effective way of being a team member. Some adults have the tendency to play the role of decision maker and decide what the group should do. While

letting go of the decision-making can be difficult, we encourage adults to let the leadership formation be a group process so that this handful of individuals becomes a team, working together for the good of everyone. Adults who encourage and empower the group to make decisions and take responsibility will see a tremendous difference in the youth with whom they work.

We fully acknowledge that what we ask of our adults is not easy and it certainly requires a lot. However, we know that we are asking the right things. It can be a bit of a dance to learn when to step in and when to step back, when to empower and when to decide. Though our program may be called Youth Summer Ministry, we know that adults are learning and growing themselves, too.

I certify, to the best of my knowledge, the information that I have provided on this form is true and accurate. I authorize any investigation, including a background check, of any or all statements made on this form.
